

RECOGNIZES:

Paul Sanders

Born in Greenville, TX, Paul had a rocky childhood. He entered Foster Care at age 8. After at least 6 different placements in 10 years, Paul "aged out" of the foster care system at 18. Paul found himself homeless and alone.

At age 20 Paul realized he needed to get his life together and that he needed additional support. In April of 2007 Paul joined TRAC in search of stability.

Since Paul has been a member at TRAC he has been committed to his goal plan. He entered TRAC's transitional housing program, which helped him get on his feet. Soon after moving in to the Ashby Commons apartment complex, Paul found a job! Now in his own apartment, Paul has managed to maintain his employment and consistently contribute to his savings account.

With his newfound stability and security, Paul has found freedom to venture out and enjoy life, particularly going to movies, playing games, listening to music and talking with friends. Paul now has the tools and the motivation to strive toward success; he plans to either become a video game developer or a psychiatrist.

Paul has also chosen to have a TRAC mentor to help guide him in this transitioning period. His mentor says, "Paul is an intelligent, self-motivated young man that I enjoy hanging out with. I especially enjoy his witty sense of humor; he has a knack for cracking me up on cue."

Paul was also featured in Central Dallas Ministries' online e-magazines.

Keep up the good work Paul!!!
